# Higher Education

**BME Qlik HE  
Conference**

17-18 May 2018

H10 Casanova Hotel

Barcelona

[www.bmesol.com](http://www.bmesol.com)

AFTERNOON SESSIONS - 17 MAY

14h30 - 15h00

**Arrival & Registration**

15h00 - 15h45

**Forecasting with Qlikview**

Using Qlikview to produce forecasts across different data sets

Mark Gittins  
Stuart Powell

Business Information Manager  
Deputy Director of Finance

15h45 - 16h30

**Monitoring our student Intakes**

How we use an operations report in Qlikview to check intake targets against actual matriculations

Andrew Thomson

Business Intelligence Manager

NETWORKING EVENT

18h00 - 23h00

**Tasting Barcelona Networking event**

A food and wine tour by nature, but is also an exciting and interactive way to experience Barcelona. A fun, personalized tour away from the crowds, with an amazing and plentiful diversity of wine, as well as Catalan and Spanish tapas and gourmet dishes.

## MORNING SESSIONS - 18 MAY

10h00 - 10h35

**Qlikview template re-design**

Re-designing and re-launching Business Intelligence Datamarts

René Oudega

Business Intelligence Analyst

10h35 - 11h10

**Reusability in Layers**

Building the Qlik 3 tier data architecture and reusing it

Julian Lipman

Business Intelligence Developer

11h10 - 11h45

**Business Discovery using Qlik**

Designing proper visual analytics tools in Qlikview to add value to the different business stakeholders

Francisco Luis Machín Aragonés

Director – Business Intelligence &amp; Reporting

## Tea and coffee

12h00 - 12h35

**Integrating student numbers for financial, statutory & internal strategic planning**

Steps the Qlikview team has taken to integrate the different ways of counting students, and the pros &amp; cons thereof. We don't have a perfect solution, so we would be keen to make this an interactive session and hear your views and experiences.

Georgina Spary

Business Intelligence Manager

12h35 - 13h00

**Converting Qlikview apps into Qlik Sense apps**

A demonstration of the Qlik Sense Converter tool that makes it easier to convert Qlikview charts, expressions and variables into Qlik Sense apps

David Chisholm

Senior Qlik Consultant

## AFTERNOON SESSIONS - 18 MAY

14h15 - 14h45

### **Combining the power of Qlikview and Qlik Sense in Analytics learning**

Using the Qlik Academic Program to teach students at EAE Business School skills in analytics and decision making
